

CALL FOR SPEECH GAME CELEBRITIES!

We learn best in moments of enjoyment - Ralph Smedley.

We will conduct two types of speech games, **Laugh out Loud (humorous speech)** and **Nano Talk**. You may only participate in one game - everyone deserves an opportunity to shine on stage!

1. **Laugh out Loud** - a three to four minute prepared humorous speech. (English only)
2. **Nano Talk** - a one to two minute prepared speech idea "worth spreading" (English, French, Portuguese and Spanish). This is your chance to deliver a mini Ted Talk.)

RULES - LAUGH OUT LOUD HUMOROUS SPEECH

- BE CREATIVE!
- Prepare a three to four minute humorous speech to deliver in person, on stage.
- Anyone can participate regardless of Pathways level.
- **Submit a 30 second video with the opening of your speech no later than Sunday, 8 October via email to: d107madridfallsummit2023@gmail.com.**

You will be judged by the entire audience on the following:

- Storytelling: opening, body and close
- Delivery: voice & body language
- Creativity/Originality
- Remember that it is not a monologue (series of one-liners).
- The contestant will be disqualified if the speech exceeds more than four minutes and 30 seconds.
- The green signal will be displayed at three minutes. The yellow signal will be displayed at three minutes 30 seconds and the red card will be displayed at four minutes with a 30 second grace period.

IMPORTANT:

- Only 12 humorous speeches will be selected from all the entries, two per division.
- How will you be selected to enter the contest? A panel from each division will determine which speech from their division will enter the game based on the videos that are submitted.
- If yours is selected, you will be notified by Sunday, 15 October and you'll have a chance to shine on stage!
